Upcoming Math Class _____

Please verify the following criteria in order to take the Computer Science Readiness Test. In place of signatures, counselor and teacher can email me at srrose@fcps.edu, subject: CS Readiness Test and your name

1. "A's" in mathematics courses. Verification by guidance counselor upon review of transcript.

Guidance Counselor Printed Name, School, and Signature

2. "A" average in current (or last) mathematics course. Verification by current teacher.

Mathematics Teacher Printed Name, School, and Signature

By my signature below, I am indicating that I understand and will abide by the Readiness Test policy:

- The readiness test is given only once. It is scheduled for Thursday, August 12, 2021, at 10:00 AM. The test will be at TJHSST. I will be in the dome at 9:55 AM.
- I will earn placement into Data Structures including AP Computer Science A if I achieve 84% on the exam and my program achieves 90%. I will not earn a computer science credit. If I fail to achieve placement, I will be placed into Accelerated Foundations of Computer Science.
- I may ask for my score but the contents of the test will not be discussed with me.

Student Signature

Parent / Guardian Signature

Date _____

You must return your Computer Science Test Request form in the regular mail to TJHSST to be received no later than August 5, 2021. Included with your request will be a flash drive containing Sample.
