Residency Verification 2019-2020 School Year

An accepted student is eligible to register for Thomas Jefferson High School for Science and Technology (TJHSST) if the student resides with a parent or legal guardian who is a full-time resident of, and meets all of the residency requirements of, a TJHSST cooperating school division. (FCPS Regulation 3355.13) Cooperating school divisions for the 2019-2020 school year are the counties of Arlington, Fairfax, Loudoun, and Prince William, and the cities of Falls Church and Fairfax.

Residency in one of the afore-mentioned cooperating school divisions must continue throughout the student's four years of study at TJHSST. **If you change your residence while attending TJHSST**, you must report the change of residence immediately to the Student Services office at TJHSST and to the TJHSST Admissions Office and provide proof of residency (lease or deed, utility bill, and any additional documentation required by Student Services or the Admissions Office) for your new address. You also must complete a new Residency Verification form for the new residence.

Please be aware of the following conditions:

- **If you change your residence to a school division that does not participate in TJHSST while your child is at TJ**, your child will no longer be eligible to attend TJHSST and may not continue to attend TJHSST.
- **If you change your residence from one participating school division to another participating school division while your child is at TJ**, the student's continued eligibility to attend TJHSST may be affected. By regulation, a student who changes his or her residence to a cooperating school division that has exceeded its percentage (or "cap") for the student's class at TJHSST may not continue to attend TJHSST. You, therefore, must notify the Admissions Office **prior to any relocation** to insure continued enrollment at TJHSST.

Proof of residency may be requested at any time during the student's enrollment at TJHSST.

I have read and understand the requirements for registration and continued enrollment at TJHSST for students.
